

BEST SMALL HOUSE '84 -- Living room faces rearward, toward window wall and expanded deck. Exposed hardwood floor and wood ceiling have been lightened to keep the room open and airy. The all-wood 1,500-square-foot house will be featured in the October 1984 issue of House Beautiful. Sectional pieces from Vanguard are covered in peach-colored fabric; Prosper's Bench from Habersham Plantation; painted canvas floor cloth by Peter Fasano; major accessories from Woodward & Lothrop.

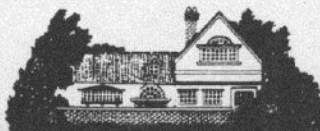

Major participants: House Beautiful magazine; the American Wood Council; Reston Land Corp.; Felix Construction Corporation; Habersham Plantation; AT&T; Woodward & Lothrop; Lester Walker, Architect; Carolyn Guttilla, Interior Designer; Seneca Falls Greenhouses and Nursery, Landscaping.
