In addition, Wethers presented the letter from Floyd Wimberly Gulf Reston Inc. authorizing use of the Dag Hammarskjold Plaza, which letter must be kept on the plaza by a Focus representative at all times.

Publicity--Lewis Giles, Chairperson. A copy of the news release of July 29 was presented. Radio, television, and Gulf Reston have been contacted. Giles has received a good reaction from media people. He needs more detail from committee chairpeople to make the releases more informative.

GM 7/30/74

Fashion Show, House Tour--no report since chairpersons were not present.
Finance Committee--Fred Fresh reporting. We have a deficit budget of $2600, based on preliminary budgets presented by various committees.
A cover letter will be sent to the Sheraton with specifications as to rooms, needs etc. Hopefully we will get a global price for the entire festival.
Comments from Chairperson Robinson. He is hoping for a $6000 profit.
He urges enlargement of all the committees and implementation of all the program.
Questions and Comment. Kathy Lamkin said that the D.C. Repertory Theater has agreed to receive our donation and that this information can be used in future press releases. The Ralph Bunche Awards program was explained again by Mr Robinson. Bev Sharp asked about the number of dance tickets to be printed. Merriwether answered--500 will be printed; 400 sold.
Burton Lamkin needs 5 conference coordinators to be in charge of registration, badges, etc. He asked the group what speaker and what price to pay for the luncheon keynote address. The group felt that the speaker should be chosen based heavily on the financial considerations. There is a need for 93 people to attend the conference in order to break even. Speakers being considered--Carl Rowan @ $1500; Floyd McKissick @ $750; Asst. Sect. at HEW-free. After much discussion, the choice was left up to the committee with the recommendation that we pay $750 to McKissick as opposed to $1500 for Rowan, since it was felt that McKissick would be a good draw.
Incorporation. Mike Horwatt, a Reston attorney, presented some information and answered questions about incorporating Focus. The key reason for
incorporating is to absolve ourselves from personal liability. We must have a certain basic structure with a board of directors and specified officers; but we will try to devise a structure and by-laws as close to the present structure and by-laws as possible and still adhere to the Virginia law governing corporations. It will take several months to get tax exempt status. A question arose as to whether the IRS would tax us on all income for the past six years. The answer is yes; but this is true whether we incorporate or not. Horwatt recommends that we have public liability insurance for the festival and each concessionaire having a ride carry insurance and supply a copy of the certificate of insurance as part of their contract with Focus to protect Focus in the event of any action against us. His firm will charge Focus a fee of $250.00 plus expenses ($50.00 - $75.00 including corporate seal, minutes book, etc.) for the incorporation and obtaining tax exemption. Their normal fee is $600.00.

A vote was taken by secret written ballot on whether or not to incorporate the organization under the conditions described. Results: 33 yes, 0 no.

**Elections.** Sharp outlined a procedure which called for naming an elections committee in September in preparation for elections in November. Volunteers were solicited--none appeared.

The meeting was adjourned at 11:00 p.m.

Respectfully submitted,

Carol Ann Bradley, Secretary
