CANDIDATES FILE FOR BOARD ELECTION APRIL 8TH

The poll for selection of three resident candidates for the Reston Home Owners Association Board of Directors will be held Saturday, April 8th. Voting will take place from 9:00 a.m. to 5:00 p.m. at the Lake Anne Hall and in Hunters Woods at the Glade Room. All resident homeowners are eligible to vote; only one vote may be cast from each household.

The following men are candidates for election to the Board: Robert Ewald, 11591 Maple Ridge Road. Age 41. Land Maintenance Contractor, GCS, Inc., Reston. "The major issues before the town now are maintenance, communication, and organization. We must concentrate on management of the land and facilities. The Town Council must talk to and listen to the community. We must organize the elected and appointed groups and the employed staff to do these things effectively. I have directly observed the actions of the Town Council and the Board for more than two years. I believe that my experience in land maintenance, communications, and business organization is relevant to the needs of the Association and that I have demonstrated a willingness to work in and for Reston. I support the Reston Action Program in detail and in concept as an effort to make things happen in Reston."

Andy Gilbert, 11215 Hunting Horn Lane. Age 50. Director of Program and Policy Analysis, U.S. Forest Service, Washington, D.C. "The Study Team has recommended that RHOA concentrate its efforts upon maintenance and operation of the properties and facilities as befitting a corporate body. During the next year, the RHOA Board will influence efforts to develop a democratic, independent governance. A member of the Study Team for the past eighteen months, I now wish to represent Reston homeowners on the RHOA Board. My purpose is to be an effective voice for homeowners in program and budget decisions and in working out new arrangements within the community and with the County."

Gary Grimmett, 11620 Vantage Hill Apts. Age 26. Reproduction Engineer and draftsman, Brar, Beauchamp and Associates. "I am running for RHOA Board of Directors because I can do the job. A one-year resident of Reston, I want to do all I can for our town. Working in the Homeowner's Information Office, I saw a vital part of Reston, people of the community, visitors and prospective residents. At this time in my life I understand both the younger Restonians and the parental views. I want to see the concept of Reston continue to function as the town grows. I am 26, served in Vietnam as an Infantry Medical Specialist and have lived in Virginia for four years. I will serve the Reston people with my best ability, will always be at everyone's disposal, will hear any ideas for the betterment of Reston and its residents."

Douglas M. Klein, 11104 Saffold Way. Age 27. Account Executive, Community Management Corp., Reston. "In ten months as Town Council and RHOA Director, I have doubled the maintenance budget; involved residents by creating a RHOA/VPI community service conference; re-established a walkthrough of newly-deeded areas; given RCA a RHOA watchdog role; sponsored objectives for area trash receptacles, (continued on page two)

''TALL OAKS'' THIRD VILLAGE

The Town Council this month commissioned the Elections Committee, headed by Jan Hays, to set boundaries for and name a third village in Reston. The following areas will be designated as Tall Oaks Village:

Regency Square, Forest Edge, Cedar Ridge, the Uplands, Hillcrest, Hunt Club, Golf Course Island, Charter Oak (apartments and townhouses), Ivy Oak Square, Bentana Woods, Villas de Espana, Chestnut Grove Apartments, North Shore Village and Golf Course Village, and Tall Oaks. Lake Anne Proper plus Northgate and Inlet will be "Lake Anne Village," and Hunters Woods remains as presently defined.

Village Council elections will be held May 6th. The deadline for filing for candidacy is April 21st. Each Village Council will select one member to sit on the Town Council along with the three resident Board members.

NEW RHOA STAFF MEMBERS

Mr. Thomas Burgess takes up his duties as the new Executive Director of RHOA this week. He and his family come from Winchester, Kentucky, where he has been City Manager for the past two years.

Mr. Burgess received the B.A. in Political Science from the University of Illinois and a Master's degree in Public Administration from the University of Kansas. He is listed in the 1971 edition of Who's Who in America.

Mr. Burgess has broad experience in financial management and planning as well as in program development. Prior to his work in Winchester, he was employed as Assistant City Manager in Fort Collins, Colorado, where he worked in personnel administration and helped create the town's first long-range capital improvements program and budget.

In Winchester he directed the reorganization of municipal departments and prepared their first executive-type budget. He was instrumental in the adoption of a new municipal income tax and the abolition of nuisance and excise taxes. Under his leadership a new zoning ordinance for joint city-county planning control was adopted.

The Burgess family will reside in Hillcrest Cluster in Reston. Mrs. Leslie Burgess, Jennifer, 4, and Galen, 1½, expect to join Mr. Burgess when their townhouse is ready for occupancy.

Nancy Morris Grant has been appointed new Information Officer for RHOA. In addition to teaching English at several universities, she has had experience in editorial and publicity work and program administration. Her duties will include assembling information about Reston activities for residents and news media, preparing the monthly newsletter and calendar, presenting a weekly CA-TV show to be called "RHOA NEWS-ROOM," supervising the Community Center staff, meeting with new residents, disseminating information about RHOA to the community, and coordinating communications programs at the village level. Her office is in Newton Square.

Gertrude Ulrich has joined the RHOA staff as Director of Lake Anne Hall, where she answers telephone and personal inquiries, schedules activities at community buildings, and keeps bulletin boards current. Her background includes a degree from Rosemont College and work at the St. Vincent's Home for Children in Philadelphia. 
COUNCIL MEETINGS

THE LAKE ANNE VILLAGE COUNCIL—March 7th

Directors recessed their agenda to support interpretation of role of RHOA as limited form of government, and instead supported reorganization of steering committee to explore creation of Reston Council.

Reports presented by William Veigel on Renter Forum and by Vernon Walker of Anne Arundel County Management Committee. Two new members appointed to Committee on Management. Last night's meeting was a success.

HUNTERS WOODS VILLAGE COUNCIL—March 7th

Agreed Glade Room should be used between 1972-73 school year, and the current budget to cover the hours. Prior to 1974, the town council meetings will be held on Tuesday morning.

Chuck Wolfson announced new Recreation Committee members.

Beverly Sharp appointed Chairman of Communications Committee, and Susan Brown appointed member of the same committee.

Recommendations regarding Study Team Report made to Town Council and RHOA Board.

Role of RHOA

Local government, law enforcement, crown facilities, and facilities development, facilities operation, other needed services only provided if no other body or other unit also administers them; not to represent Reston before County or State except on matters directly affecting common land.

Structure of RHOA

Village to be basic unit, with elected council and certain budgets and authority. Town Councils operated by RHOA, but participation in village matters is encouraged; residents should vote in Village elections if not already registered to vote in Town elections.

Reston Council

RHOA should support study through steering committee, including appropriate financial support, and should turn over functions not under RHOA, such as police and fire protection.

Town Council—Special Meeting—March 8th

RHOA is not a corporation, but rather a group of citizens who are unwilling to run for office, and are more than willing to support candidates in the future.

RHOA Board of Directors—March 13th

Following resolutions passed:

Mr. Thomas J. Burgess is hired as Executive Director of RHOA, with salary determined by Reston Council and the Board.

The Board favors creation of organization representative of all Reston residents which can speak for Reston to governmental agencies.

The Board also wishes to encourage the designer to participate in deliberations of any group established to implement formation of such an organization.

That an organization include among its governing body a representative of RHOA (chosen from resident members of Board), in order to aid communication and coordination between the two organizations.

That the Board recommends continuation of Villages as basic structure for such an organization.

That poll of resident members of RHOA be taken to determine if organization is feasible.

Board made specific recommendations regarding resolutions above, and indicated support for utilization of this site and its incorporation into Reston's open space system.

The meeting of H. Robert Moore (Interim Chairman), Dick Dickinson, Eleanor Paulk, Richard Rich, Nancy Roe and several others.

RHOA Maintenance

Ron Moran, Maintenance Foreman, has announced the following maintenance plans of special interests to residents.

For maintenance of public walkways, drainage system, and for utilization of this site and its incorporation into Reston's open space system.

The meeting of H. Robert Moore (Interim Chairman), Dick Dickinson, Eleanor Paulk, Richard Rich, Nancy Roe and several others.

RHOA Maintenance

Ron Moran, Maintenance Foreman, has announced the following maintenance plans for special interests to residents.

For maintenance of the walking path mentioned above, the walkway system and the drainage system, and for utilization of this site and its incorporation into Reston's open space system.

The meeting of H. Robert Moore (Interim Chairman), Dick Dickinson, Eleanor Paulk, Richard Rich, Nancy Roe and several others.

The baseball fields will soon be in excellent shape, as the maintenance crew is using new equipment to ready them for play.

This month the crew will be fertilizing and liming fields. Thistles (white dust) is unsightly and harmful to the grass, and can cause coughing.

Tests on the Vantage Hill path will be replaced with the better-looking and more practical forestry trash cans for the National Parks System.
RHOA COMMITTEES

HUNTERS WOODS COMMUNICATIONS COMMITTEE REVIVED

Led by Bev Sharp of Goldcup Lane (471-1416), the Communications Committee of the Hunters Woods Village Council is hard at work on plans to facilitate the flow of information between residents and RHOA. Hunters Woods will be divided at present into six areas, each headed by an Area Representative. Each “Area Rep” will manage a team of volunteer Block Representatives. The “Block Reps” will be responsible for delivering newsletters, contacting newcomers, and gathering news for the media. Question sheets will be used to spotlight areas of community concern, suggest topics for articles in upcoming newsletters or features on “RHOA NEWSROOM” and provide identification of problems needing attention from the Hunters Woods Village Council.

To ensure that the new RHOA newsletter, RHOA Record, is truly informative and avoids redundancy, it is planned that a representative from Hunters Woods, Lois Peters (471-9642), will gather items by the 15th of each month for inclusion in the newsletter. Susan Brown (457-1184) will edit the Hunters Woods section of RHOA Record.

Nancy Grant, RHOA Information Officer, has met with the HW Communications Committee and hopes that similar efforts will get under way in Lake Anne and Tall Oaks. Michael Nye, Chairman of the Lake Anne Village Council, has appointed Gail Sodek of Regency Square (437-1366) to draw up plans for a communications network in Lake Anne Village and to solicit help from volunteers for implementing this proposal.

In Hunters Woods your Block Representative is: [signature]

COVENANTS COMMITTEE:

Bill Kramp (437-5770) presented new Terms of Reference for this Committee which were accepted at March Town Council meeting. Also looking for more volunteers, Alice Mitchell and Tom Ahab have volunteered to serve and will be presented for approval at next Town Council meeting.

RECREATION COMMITTEE

Pool Committee is trying to arrange to have at least two pools open early in May and remaining open until end of September, depending on weather. Staggered hours at various pools, and all pools open to all members.

Registration completed for Little League; seven hundred youngsters now engaged in tryouts.

Plans under way for summer teen program. Committee trying to arrange for two teen centers to be open this summer, in addition to pool parties and trips outside Reston.

Urgent need for volunteers for Recreation Committee. Anyone who is willing to serve on Committee or who would like more information call Dave Burris (437-9040).

RIDING ASSOCIATION

The Reston Stables are now open and ready for use. Any Reston family may join the Reston Riding Association for $5.00 a year and avail themselves of riding lessons at reduced rates, stall rentals, and participation in special activities of the Association. Classes are now being formed, and information may be obtained by calling Ken Lowe, the new Manager of the Stables, at 471-7080.

OPEN HOUSE

The staff of the Reston Home Owners Association invites you to visit the new office at Newton Square and to meet the new Executive Director of RHOA. “Open House” will be held on April 9th from 3:00 p.m. to 5:00 p.m. in Newton Square. (RHOA office entrance is on the second floor to the left in the center building of Newton Square.)

An “Open House” for all residents of Hunters Woods has been scheduled by the Communications Committee for the 29th of April. It will take place at the home of Joe and Chloate Lewis, 2504 Fauquier Lane, at 8:30 p.m. Guests are invited to bring their own refreshments.

VILLAGE COUNCIL ELECTION MAY 6TH

Elections for Village Councils in Hunters Woods, Lake Anne and Tall Oaks will be held on Saturday, May 6th. Voting will take place from 10:00 a.m. until 5:00 p.m. at the Glade Room and Lake Anne Hall.

Any Reston resident sixteen years of age and older may vote in Village Council elections, as well as run for office. Proof of residency may be determined by a driver’s license, the RHQA printout for homeowners, or name listed in the Reston Directory.

Absentee ballots will be available at Lake Anne Hall and through members of the Elections Committee. The voter must pick up a ballot in person and sign for that ballot, and then the ballot must be either hand delivered by the voter to Lake Anne Hall or to a member of the Elections Committee, or it must be mailed to the RHQA office. Absentee ballots will not be accepted after the polls close on May 6th.

The following Village Council seats are open:
(1) Lake Anne Village—all seats except those held by Frank Anderson and Phil Hester;
(2) Tall Oaks—all seats;
(3) Hunters Woods—all seats except those held by Judy Hines and Dennis Fischer.

There are five members of each Village Council.

TALL OAKS (for five seats) -

WORKSHOP TO STUDY COMMUNITY SERVICE NEEDS SCHEDULED JUNE 10

The V.P.I. Extension Division, in conjunction with their New Communities Program, has offered to assist the community in defining its service needs. The method chosen is a one-day intensive workshop to explore community service needs by category, i.e., health, recreation, education, etc., and by community types, i.e., homeowners, renters, teenagers, elderly, middle Americans, etc. Support is being requested from the various Reston community organizations as well as the developer and the county.

The seminar will be open to all residents and interested citizens without charge and will allow for the discussion of individual needs and goals, their relationship to the needs and goals of others, and will provide guidance in the establishment of priorities.

The workshop will be held on Saturday, June 10th. Specific details will be announced in next month’s newsletter. A workshop committee of Reston residents, chaired by Pat Kane, has been charged with the design and organization of the workshop.

RHOA RESIDENT BOARD MEMBERS CHOSEN

In a disappointingly small turnout on April 8th, members of the Reston Home Owners Association selected Andy Gilbert, Carl Stenberg and Bob Ewald to be the resident members of the RHQA Board. Only 316 votes were cast, or roughly 10% of the possible votes. 207 votes were cast in Lake Anne, including 16 residents of Hunters Woods, and 109 in Hunters Woods. The breakdown of the votes by village was as follows:

<table>

COUNCIL MEETINGS
HUNTERS WOODS VILLAGE COUNCIL—APRIL 4TH

Nancy Roe reported for Environmental Management Committee on HW open space development plan. The council is in agreement with the plan and will send a letter to the Town Committee regarding this. There was a discussion of the Town Committee." They will confer with Committee regarding this.

The Environmental Management Committee needs members for specific assignments (see article). The Communications Committee is to be used to recruit EMC members. This report is to be included in the May 11th Council meeting. The report was approved by the Town Council.

Work on Youth Maintenance activities was discussed. One area of concern was the check and clean the Glad Pool Community room early each morning to insure readiness for COOP Nursery School. The minutes of the last meeting were read and approved.

TOWN COUNCIL—SPECIAL MEETING APRIL 19TH

Informal briefing and discussion session held instead of regular Town Council agenda. RHDA President Andy Gilbey read report statement drafted by three resident RHDA Board members, Gilbert, Stirling and Ewald. Announced their decision to terminate Town Council's position on Board. They have been constituted, based on following reasons:

- M. Sodk suggested acceptance of Beverly Sharp's recommendation for Communications Committee.
- Mr. Sodk stated his position of Chair and be given complete authority to establish a communications committee.
- The process to be continued until progress—motion was seconded and passed.

sharp reported that Communications Committee is now in full swing, with 75 block representatives. Several central committee members were nominated and appointed:

Sue Brown Media Rep
Lois Peters Liaison with other organizations
Eileen Maxwell Building Board Publicity
Kathy Nitek Welcoming Kit coordination
Nancy Grant, Common Ground
Mary Krider
Maureen Weimer Area Rep
Joan Murok Area Rep
Joy Johnson Area Rep
Fred Frosch Area Rep
Sandra Breyce Area Rep
Dody Hines Liaison with Village Council

Questions regarding problems from residents outside scope of RHDA to the Communications Committee. This report was approved by the Town Council.

The Council decided to make available to Communications Committee $50.00 of its discretionary funds for communications activities, per the recommendation of a recent meeting. (However, it is the sense of the Village Council that RHDA communications budget should be prime funding source for such needs.)

Dennis Fischer requested that next RHDA newsletter carry full information regarding the process for applying for the use of funds under 1972 budget category "Miscellaneous Objectives." The newsletter was approved by the Town Council.

Mrs. Laurie Saperstone and Mrs. Madlene Fried, representing Reston Children's Center, proposed use of Southgate Pool as Day Care Center stating that such an facility is now available in Hunters Woods. They indicated that preliminary sounding of the Children's Center board members ready to join in the task of organizing and administering such a day care center.

Village Council members Reston Children's Center to draw up more formal proposal to be presented to Hunters Woods and Lake Anne Councils in May, with possible presentation to Reston Town Council.

Village Council voted to have its Chairmen formally constituted in meetings of the Village Council.

Decided to set aside major portion of May 2nd Hunters Woods Council Meeting to hear concerns of residents on matters of concern to them.

The Council was reached and questioned validity of decision in view of the absence of a written resolution of the Council. The discussion was continued. It was voted to adjourn meeting until May 8th.

RHOA BOARD OF DIRECTORS—APRIL 12TH

Andy Gilbey was elected president of RHDA Board of Directors at first meeting following election of new Board members. Re-elected at same time were Donald Cummings, Vice President, Joyce Pfeiffer, Treasurer, and Robert Percy, Secretary.

RHOA Acting Executive Director Joyce Pfeiffer presented plan for stricter control of use of Lake Anne. System of fees paid by residents with lake privileges which would support any residents of the lakes and swimmer's budgets. Agreed that RHOA Executive Director Tom Burgess would proceed with poll residents with signatures to be presented to Levetton. Vote of thanks to John von Morze for year as President.

Board decided loans such as $550 loan made to Community Preschool shall either be approved by Board or be budgeted as fund to be loaned at discretion of President.

Board indicated it accepted Pfeiffer on pool and tennis court projects. Agreement with William Thomas, Executive Director, Tenleytown, levied. Joyce Pfeiffer announced all but 250 of residential units had paid assessments, and it was only been placed on property involved.

ANNUAL MEETING OF RHOA APRIL 11TH

A new Board of Directors was elected at the annual meeting of the Reston Home Owners Association on April 11th. The new Board consists of Andy Gilbey, William Magee, Maury Daniel, Glenn Saunders, Elmer Burch, William Cox and Don Cummings as the development members.

Scope of topics covered at the annual financial report as follows: income of RHOA 54.9% from assessments,瑜伽 3.5% from study teams, 2.7% from community building; and 5.2% from miscellaneous; expenses of RHOA 55.7% for pools, 24.1% for general and administrative costs, 17.7% for tennis courts, 14.2% for recreation building; 4.1% for maintenance buildings, 4.8% for tennis, and 0.5% for initiatives in development.

RHOA Board approved budget of $4,000,000 for 1980, but greater effort is being made to make pools self-supporting.

Annual meeting of the Reston Association of RHDA, Inc., thank the outgoing members of the Board, Town Council and Village Council for their hard work over the year.

The questions were added by members of the audience during the discussion period that followed, touching on conditions of roads in Reston, the lack of widespread participation in RHDA elections, and the nature of RHOA as a non-stock corporation.

HWVC SCHEDULES QUESTION AND ANSWER SESSION MAY 2ND
A question and answer session is to be held to answer questions and concerns on topics of the meeting. The meeting was scheduled for Tuesday, May 2nd, at the High School Elementary School at 7:30 for information gathering. A special invitation is issued to new neighbors in Country Village.

RHDA staff members Tom Burgess, new Executive Director, Nancy Grant, Information Officer, Vern Walker, Environmental Officer and Ron Moore, Director of Common Land Maintenance, will be present.

REMINDEDS

Captain Young of the new Reston Fire Station has requested that members of the special committee to keep their house number in good repair. The firemen are usually in a hurry when they are called. They will be able to help the fireman if the house number is clearly visible.

RHDA is still looking for a paper cutter borrowed from a member of the Village. The paper cutter is needed for the building of the new office.

Residents who are interested in making additions or alterations which will improve their home are reminded that such changes require approval of the Architectural Board of Review. ABR will submit forms at an early time.

Attention is called to the fact that the burning of leaves is forbidden.

The Reston Common Council has made changes and the common council office has a new phone number at 417-7080. The deadline for turning in material to the Information Officer, Nancy Grant, for inclusion in the RHDA RECORD is the 20th of each month. Send material to the RHOA Office at 1101 South Square East or phone in items to Mrs. Grant at 417-9580.

POSITIONS AVAILABLE ON RHOA CREWS:

Age 15 - 17:

(1) Pool boys (3 needed) - must be available for the entire summer. Prefer candidates have passed Junior Lifesaving Course. Pay $150. End of May 11

(2) Garden Crew (2 needed) - good outdoor work for either girls or boys. A good sense of accomplishment with this job at least 30 hours a week. Application deadline is May 10th.

RHOA MAINTENANCE

Ron Moran has announced the following job openings for Reston youth with RHOA this summer. Applications can be picked up at the RHOA Office (1950 Isaac S. Morse Building, second floor). Application deadline is May 10th.

COMMITTEES

Chairman needed for Hunters Woods EMC. Qualifications: an interest in the Hunters Woods environment, some organizational ability, knowledge of budgeting. Most important qualification: salemanship for the environment!

Trailblazer coordinator needed. This position involves advertising for, interviewing, and hiring Trailblazer youth workers (age 14 and up) for the summer projects. Would also hire a college-age foreman who would supervise and work with the youth crew. Coordination of ordering and scheduling for various projects. One person needed in Hunters Woods; one in Lake Anne.

Junior Trailblazer coordinators. The Junior Trailblazers meet one morning per week in the summer for a work-and-learn experience. The adult a qualified teen-aged leader in running a successful program by helping with planning, coordination, and evaluation.

Project Supervisors in both Lake Anne and Hunters Woods. Needed:
1) Surveyor coordinator (someone who understands the surveying process—how to read plats, etc.)
2) Construction coordinators (someone with building knowledge and experience)
3) Planting project coordinators (adults who are interested in working with volunteer adults or volunteer or paid teen-agers in plantings on common land. We’ll train you!

RECREATION COMMITTEE:

Chairman Dave V. Burris (437-9040) is looking for someone who has an interest in the teenagers of the community and who would be willing to give up some time to organize a teen program and work with the teens and other volunteers to run such a program.

NATURE CENTER NEWS

Seedlings available for youth groups. Seedlings which can be used to reforest RHOA land are available by calling The Nature Center at 471-7472. Planting autumn olive, a wildlife-supporting shrub, and pine in sunny areas makes an excellent springtime, post-Earth Week project. Seedlings are free for use on RHOA land. They are available for conservation uses by clusters at cost, and to anyone wishing to plant them.

Second situation pond. The Virginia Department of Highways has informed us of their intent to construct a new siltation basin on the Rt. #606 widening project. We applaud their continuing cooperation in helping to protect Lake Anne and our local streams.

Gulf Reston, Inc. has set aside an area soon to be cleared, from which cluster associations and individuals may take shrubs, small trees, and wild flowers.

Those interested in making arrangements for salvage operations should call Vern Walker at The Nature Center at 471-7472 or 471-9580.

Individuals who go onto the site must sign an injury waiver form in the Nature Center office, and must receive instructions on what to, and what not to, remove prior to any salvage operation.

THREE POOLS TO OPEN EARLY

The RHOA office staff is in the process of mailing out registration forms and pool rules to all Reston residents. This year the sign-up for pool membership will be done by mail; apartment renters may return their completed forms to the apartment manager. Badges will be sent out by mail upon receipt of completed forms and checks.

The Hunters Woods, North Shore and Uplands pools will open two weeks early this year. The following hours of operation will be applicable for that two-week period:

Saturdays, May 15 and 22 and Sundays, May 14 and 21—11:00 a.m. to 8:00 p.m.

Weekdays, May 15 through May 19 and May 22 through May 26—4:00 p.m. to 8:00 p.m.

All pools will begin normal hours of operation on May 27th, 1972. There will be no pool assignments. All participating Restonians will be free to use any or all RHOA pools.

RHOA CALENDAR - MAY

May 1
An informal question and answer period with call-in questions is scheduled for the Reston Cable Television show RHOA NEWSROOM at 8:30 Monday night. Candidates for all three Village Councils will be present in the studio to answer questions.

May 2

HW YOUTH MAINTENANCE PROGRAM

The Hunters Woods Youth Maintenance Program is set up under RHOA. It employs and pays teenagers to maintain the common lands. Hunters Woods is divided into sections and each employee is responsible for a specific area.

Duties include cleaning and repairing tot lots and cleaning up trash along roads and walkways. Pools and tennis courts are also maintained by this program. The boys generally work on Saturdays, repairing and cleaning, as well as seeing to problem areas which have been reported by residents during the week.

If any Hunters Woods residents know of special problems or areas which are consistently littered, please CALL MARY PARR (the Youth Supervisor) at 437-1385, or Janice Riley (the Adult Coordinator) at 471-9696.

A VOLUNTEER ADULT IS NEEDED IN EACH AREA to assist the teen worker by relaying resident complaints or suggestions. Adults are needed especially in the newly developed areas of Hunters Woods. The job is not time-consuming, and it certainly helps make the area more pleasant for everyone to live in. To volunteer, please call Janice Riley.
BERGER NAMED RECREATION COORDINATOR

Ed Berger of 1855 Wainwright Drive has been named to the new RHOA post of Recreation Coordinator.

Berger has had experience with teaching gymnastics and various sports and is the co-owner with his wife of the Barbara and Ed Studios in Reston. He formerly worked in restaurant and resort management, including hiring and training of college students for pool and marina maintenance. He has also had experience in plant operation and advertising. A native of Montreal, Canada, he received his university training at Sir George William, and while a student he coached ice hockey for the Little League.

Berger's plans for building a year-long, well-rounded recreation program in Reston will concentrate on forming a strong volunteer network utilizing the talents of the community to initiate a creative program for children, teens and adults. His first innovative program will be a drama workshop for ages 8-17, which has already been scheduled for July 1-August 30, five mornings a week. Ms. Irene Pritzker of Reston, former drama teacher, writer and director, has agreed to direct the workshop, which will offer creative experiences in drama, dance and music as well as opportunities for set design, costume, lighting, etc. The initial cost, in order to get the program going, will be $10.00 for the two-month workshop. The date for enrolling will be announced shortly. It is hoped that in the future this activity, which is intended to continue through the year on weekends, will be offered without charge to children and teenagers of Reston.

Other plans for the summer include an arts and crafts program for children, and Berger is now looking for a permanent site where an arts and crafts "den" can be established. Fliers will be circulated in the Community soon to seek out volunteers for this and other programs. In the meantime, if citizens have talents and time to donate, he would appreciate hearing from them, either at the RHOA office (471-9580) or at his home (471-1378).

As Recreation Coordinator, Berger will also be working with the various established groups in Reston involving maintenance and operation of pools, tennis courts, and other RHOA facilities. In addition, he will act as liaison officer with the Fairfax County Recreation Department to insure that Reston receives a fair share of the ongoing County programs, talents, staff and facilities. This summer teen centers will be operated by the County at Forest Edge and Hunters Woods Elementary Schools from June 26th to August 4th.

Berger's position, funds for which were set aside in the 1972 RHOA budget, is a full-time professional staff appointment.

PLAN FOR PATROL ON LAKE ANNE ABANDONED

Thomas Burgess, Executive Director of RHOA, has announced that RHOA has decided against instituting a plan proposed earlier this year to patrol Lake Anne with boats and guards in an attempt to prevent misuse of the lake. This decision was based partly on the results of a poll recently taken of homeowners with riparian rights and partly on the difficult enforceability of such a plan.

The residents' poll conducted by RHOA showed that the majority of residents with riparian rights were reluctant to go along with the plan of boat patrols. "It was a basic premise from the start," said Burgess, "that such a plan could only work if there were voluntary participation on the part of residents with riparian rights. RHOA has no desire to attempt any enforcement activities on the lake without the support of the residents whom such a patrol presumably might benefit."

In arriving at the decision, Burgess said that it was also taken into account that lake activities are advertised as part of the amenities of Reston, and that it would be difficult legally to support with RHOA funds an activity which would be aimed against a larger segment of homeowners.

WORKSHOP ON COMMUNITY SERVICE NEEDS SET FOR JUNE 10 AT HWES

The V.P.I. Workshop on Community Service Needs scheduled for June 10th and open to Reston residents without charge will be held at the Hunters Woods Elementary School from 9:30 a.m. to 4:30 p.m. Participants are encouraged to "brown-bag it" for lunch, and soft drinks will be provided. If enough of those attending bring lunch, activities will be continued through the lunch hour.

Although there are many competing pressures for Saturday's time, it is hoped that residents will recognize the direct benefits to be gained from participating in this intensive workshop designed to define the present and future needs of the community. In the morning, workshops will be held in accordance with program types, i.e., recreation, health services, communications, transportation, etc. Afternoon workshops will deal with characteristics of the people served, i.e., youth, renters, commuters, elderly, etc. Specific topics and discussion leaders will be announced shortly.
NEW VILLAGE COUNCIL MEMBERS CHOSEN

Elections for Village Councils in Hunters Woods, Lake Anne and Tall Oaks were held on May 6th. The results were:

Tall Oaks (for five seats) - 151 persons voted
-Jerry Boiling - 76
-Alling Jones - 72
-Mary Ellen Kase - 72
-Jim Miller - 72
-Michael Nye - 69
-Brad Ship (disqualified because he is not yet sixteen)

Lake Anne (for three seats) - 147 persons voted
-Stephen R. Mason (withdrawn-Leaving Reston)
-John Scherrer - 144
-Jerry Boiling - 137
-William Veigel - 67

Hunters Woods (for three seats) - 49 persons voting
-Enoch Butler - 50
-Carol Lawrence - 35
-David Oliver - 21
-Frank Swanson - 20
-Jim Miller - 20

New Village Councils are as follows:

Tall Oaks - Jerry Boiling, Alling Jones, Mary Ellen Kase, Jim Miller, Anne Page

Lake Anne - John Scherrer, Jeff Swanson, William Veigel, Frank Swanson, Phil Hester

Hunters Woods - Enoch Butler, Carol Lawrence, Jerry Boiling, Jim Miller, Judith Hines, Dennis Fischer.

COUNCIL MEETINGS

TALL OAKS VILLAGE COUNCIL - MAY 16TH

Present: Jerry Boiling, Mary Ellen Kase, Anne Page, Jim Miller, Alling Jones. In addition to council members present were Richard Allen (Charger Oak Cluster), Hebron Adams (Hunt Club Cluster), Eera Berman (Forest Edge Cluster), Robert C. Colter (Creekside Cluster) and Robert Laughlin (Regency Square Cluster). Larry DeLello (Cedar Ridge Community Annex), William Lawson (Hillcrest Cluster), Paul Ruden (Laurel Ridge) and Tom Burgoon (Hillcrest). Background of formation of Tall Oaks Village explained. Council of elected members of Council acknowledged to public would know how Convener Jerry Boiling was selected and format for initial meeting established. Boiling informed Council be has received official statement from ROHA Elections Committee re establishment of Tall Oaks Village official authority for election of Village Council.

HUNTERS WOODS VILLAGE COUNCIL - MAY 2ND

Fourty people attended "Question and Answer" session sponsored by IHRHA/RIOA, attendance of community organization officials responded to queries covering wide range of services. Among subjects covered were following:

-ROHA Information Kit planned for summer distribution;
-Immediate prospect for paving of short strip of Laurey's Road at east end of Reston just before Hunters Station Road. Va. Dept. of Highways plans widening of Laurey Road between Traffic Way and 17th Street. Architectural Board of Review, with new resident members -Doug Smith, C. Goetsch, and Samuel and Shane DeNiss -is studying both its general criteria for decisions and its operations to determine where improvements might be made. Suggested that written synopsis of criteria governing decisions would be helpful to applicants for ABR approval;

Golf Reston plans to parcel Lake Eliza area more carefully to protect both people and environment from recent influx of mini-bikes and motorbikes. Mr. Wasserman expressed that rules which would allow fishing could be instituted;

"Unattended dog" problem has reached crisis proportions and will cause petitions centering on door-to-door police check to see that all dogs are licensed, followed by regular inspection for this service by dog wardens. Those who have suffered greatest damage from roaming packs of dogs view matter as owner neglect and crook and intend to stay active in promoting and/or forcing greater responsibility;

Vern Walker now has maps of proposed plans for recreational and environmental facilities for Hunters Woods. Interested residents urged to view them at ROHA office;

Two year crane curse under direction of Mary Parr is ready to handle small maintenance problems in HW. Call her at 457-1385 or phone ROHA office to inform them of maintenance needs;

A 457-1246, Focus, working to make entire Reston community sensitive to and hardships inherent in being black in American society today, hopes to sponsor community discussion groups on racial relations;

People living near Laurey's Road hope debris will soon be cleared from area, that they will soon get walkways and some kind of ROHA facilities; and that cable TV will be installed someday. In short, they think it's about time they became part of Reston;

There will be approximately 2200 new dwelling units built within Hunters Woods in the next twelve months.

LAKE ANNE VILLAGE COUNCIL - MAY 16TH

Present: Frank Anderson, Jeff Swanson, John Scherrer, William Veigel. Absent: Phil Hester (out of the country).

LAVC elected Jeff Swanson as Chairman.

Council voted to contact various groups in Lake Anne Village, such as renters' groups, churches, the Garden Club, Fellowship House, etc., to request that they send a representative to the next meeting in order to provide citizens input regarding problems of the Village.

Members of the Council agreed to attend meeting of Tall Oaks Village council on May 22 to consider nomination of new coordinating committee for ROHA. Council considers dissolution of Town Council against best interests of Lake Anne Village and hopes replacement can be created.

HUNTERS WOODS VILLAGE COUNCIL - MAY 2ND

People attended "Question and Answer" session sponsored by IHRHA/RIOA, attendance of community organization officials responded to queries covering wide range of services. Among subjects covered were following:

-ROHA Information Kit planned for summer distribution;
-No immediate prospect for paving of short strip of Laurey's Road at east end of Reston just before Hunters Station Road. Va. Dept. of Highways plans widening of Laurey Road between Traffic Way and 17th Street. Architectural Board of Review, with new resident members -Doug Smith, C. There will be approximately 2200 new dwelling units built within Hunters Woods in the next twelve months.

THREE VILLAGE COUNCILS - MAY 22ND

The three Village Councils met together on May 22nd at Hunters Woods Elementary School to discuss Andy Gilber's decal on page 7 of the May 22 Newsletter. The Council decided to meet with the Town Council and create a Coordinating Committee with enlarged membership. The details of the merging of ROHA. No decision was reached, and another meeting of the three councils has been announced for June 7th.

NATURE CENTER NEWS

Watch for bulk sales. This newsletter from The Nature Center will include a catalogue of spring flowering bulbs to be planted next fall at reduced prices. We encourage ordering of certain bulbs as a general project. More about this in the Environmental Director's newsletter soon. Look now at what is blooming and make a note so that you can add to the list.

Greenstream and honeywipk. We encourage youth groups and others wishing to do a good turn for a green plant to cut away honeywipk and greenstream from dogwoods and shrubs which are being choked out. Thank A Green Plant!

Nancy Roe (471-7526) is serving as Chairman of the Hunters Woods Water Quality Management Committee and Sue McPherson (457-5848) as Acting Chairman of the Tall Oaks Environmental Management Committee. Volunteers who are interested in working with Reston's environmental problems are invited to contact the appropriate chairman.

HW TRAILBLAZER PROGRAM UNDERWAY

Hunters Woods Trailblazer program under the auspices of Hunters Woods Environmental Committee in cooperation with the Nature Center announces job openings for our youth 14 years of age and over. Construction and maintenance work will be done on two new trail lets, a horse bridge, bridge, bike path, picnic area, benches along the walkways, etc. This work calls for the hiring of 12 youths, two of which are able to supervise and work with the crew. Boys and girls who have an interest in this work may pick up an application form at either the Nature Center or the Hunters Woods Main Office, located at 1590 Veteran Square East. Two crews will be formed: one working July 10-21 and the other July 24-August 4. The applications should be completed and returned to either office prior to May 31, 1972.

Do you have surveying or math skills? We need a surveying supervisor and assistant for the periods June 21-July 14 and July 17-August 4. Please indicate this interest on your application form.

A Junior Trailblazer Coordinator is needed. This is a parttime position for a high school student who has the ability to organize and be interested in working with younger children in an environmental education and work program.

The salary scale for the above positions: in $1.50 first year of work, $1.75 second year and $2.00 per hour for 18-year-olds and up.

Junior Trailblazers is an environmental education and salaried work program for boys and girls 9-13 one morning per week. Sign-up sheets for this program will be posted each work at Hunters Woods and Glade pools.

HW OPEN SPACE DEVELOPMENT PLAN

Landscape architect John Gattuso of Elkjær, Gattuso Associates is preparing a development plan for ROHA open space in Hunters Woods.

Mr. Gattuso will meet with the EMC and representatives of other ROHA committees and is working closely with Environmental Director Vern Walker in studying potential uses of open space in Hunters Woods.

This important plan will be used in future projects involving Trailblazer's programs and other construction and planting projects. Under consideration now are the following: play structures, pathways, benches, picnic areas, landscape demonstration area, shelter, lawn game areas, ponds, and major recreation fields.

RESTON RIDING CENTER

87 Reston Families Join R.R.A. - Reston has 65 currently taking lessons at the Reston Riding Center. A waiting list has developed for prime time lesson, consequently the Reston Riding Association is accepting applications for additional school animals to meet the growing lesson program. A new series of lessons begins on June 3rd. Group rates for Reston residents on a ten lesson package are cut by one hour lesson. A $5.00 family membership in R.R.A. is required. Restonians interested in joining should telephone 710-4860. R.R.A. membership is obtainable by sending $5.00 to ROHA, designated for membership dues.
RHOA MAINTENANCE

RHOA has received many complaints regarding street signs (i.e., Pinoak, Steeplechase, etc.), and a maintenance program is being set up to keep street signs in good repair. In the past Gulf Reston has maintained street signs and billed RHOA. Gulf is now turning this maintenance task over to RHOA.

Life rings are a great problem each year on Lake Anne because of theft and vandalism. Each ring on the lake has to meet certain specifications set by the U.S. Coast Guard in order for RHOA to qualify for insurance. The life rings cost RHOA $20.00 each, and they are considered emergency equipment in the same category as fire alarms, etc. Please assist with this problem by speaking to anyone who is molesting life rings and/or calling RHOA (471-9580). These rings are only to be used to save lives!

Vandalism of the walkways is another serious problem in Reston. Particularly hard hit by vandals are the underpasses. Each light fixture in an underpass costs approximately $60.00 to replace. There have been as many as forty-eight lights broken by vandals, and it is increasingly difficult to keep up with replacement. The painting of graffiti in underpasses is another expensive kind of vandalism, since sandblasting concrete costs, on the average, $75.00 per every 4 square feet. After this is done several times the concrete surface is ruined and ugly-looking. All underpasses are scheduled to be reconditioned as soon as materials come in. Anyone caught vandalizing these underpasses will be prosecuted by RHOA to the extent of the law. Parents are reminded that in the State of Virginia parents are liable for the actions of their children.

RESPONSIBILITIES OF MAINTENANCE STAFF:
50 acres of grass and fields to be mowed
7 swimming pools
34-acre Lake Anne
in excess of 25 miles of walkways
6 underpasses
350 acres of common land
1 ski slope
2 garden plots
PERSONNEL
4 fulltime employees and 3 parttime employees
EQUIPMENT
2 trucks
3 small tractors
4 hand mowers
BUDGET
$52,767

REMINDEERS

All construction companies are required to obtain permission from the RHOA office before driving on pathways. All vehicles not entered on the office log will be reported by phone to the Fairfax police and appropriate action will be taken against violators.

RHOA has mailed out its second billing as of May 19, 1972. It is hoped that delinquent residents will respond promptly.

Canoes and boats are now available for rent on Lake Anne. The charge is $1.75 per hour or $1.00 per half hour. Hours of operation are 2:00 to 6:00 on weekdays and 10:00 to 6:00 on weekends. An additional charge will be made for boats and life jackets that are returned wet or for broken or lost oars and paddles. Children under twelve are not permitted to take out boats without a parent over twelve in the boat. Due to heavy use of the lake, boat rentals are restricted to Reston residents only, and identification can be required.

Watch the RHOA NEWSROOM on Reston CA-TV each Monday evening at 8:30. Nancy Grant, RHOA Information Officer, hosts the show, which is designed to keep residents informed about the activities of RHOA.

On June
5 Ed Berger, New RHOA Recreational Director
12 Junior Trailblazers Program (outdoors, weather permitting).
19 Peggy Gram and Doug Smith, resident members of the Architectural Review Board
26 Earl Churchill, new Reston Tennis Association instructor in a demonstration program.

RHOA ADVISORY COMMITTEE FORMED

The first formal meeting of the RHOA Advisory Committee took place Monday evening, June 26th, at the Glade Room. RHOA Board President Andy Gilbert and resident Board members Carl Stenberg and Bob Ewald met with representatives from each Village Council and Tom Burgess, Executive Director of RHOA to create the new Advisory Committee, which will provide a forum for citizen participation in RHOA affairs on a townwide basis.

The most important matter on the agenda was the creation of a Task Force to review the whole planning and budget process. President Gilbert asked that representatives from each Village be appointed to participate in this study.

President Gilbert announced that a review of all the operating committees of RHOA and of the whole RHOA structure and staff functions is now in process and will be completed within the next two months.

Bob Ewald introduced a plan which he had been requested to draw up for the creation of a Task Force on maintenance to take a look at the overall maintenance program and set up guidelines for the staff.

There was discussion of the need for a long-range study of capital facilities, and it was decided to defer any action until a later meeting.

It was decided that monthly meetings of the RHOA Advisory Committee would be held on the second Monday of every month and agenda would be announced in the Reston Times. The next meeting will take place Monday, July 10th, at 8:00 p.m. in Lake Anne Hall.

REWARD FUND MATCHED BY RHOA

The RHOA Board of Directors voted unanimously to match the $500.00 offered by the Fairfax County Board of Supervisors as a reward for information leading to the arrest and conviction of the person or persons responsible for the killing of Gwen Ames, age 17, of 11432 Waterview Cluster, on June 4, 1972. Any person who has information concerning this case should call 471-HELP between 8:00 a.m. and 12:00 midnight.

ADDITIONAL POLICE PROTECTION ON THE PLAZA

A second policeman has been assigned by Fairfax County Chief of Police to patrol the Lake Anne Plaza area on foot. One policeman will patrol from 3:00 p.m. to 11 p.m. and a second officer will patrol from 7:00 p.m. to 3:00 a.m. The shifts overlap in order that they may both be on duty during the evening hours. RHOA has provided office space for them in Lake Anne Hall and also telephone service.

A RHOA RECREATION PROGRAM FOR SUMMER

The kickoff date for summer recreation programs was June 26th, when the teen and pre-teen centers opened. These centers are staffed and equipped by Fairfax County and financed by RHOA. Pre-teen centers (for elementary school students, including September entrants and June graduates) are open from 9:00 a.m. to 4:00 p.m. Monday through Friday at Lake Anne School and Hunters Woods School. Programs include indoor and outdoor games, sports, story-telling and field trips. The teen centers (for junior high school students, including those entering in September, and for high school students) are located at Forest Edge School and Hunters Woods School and are open from 6:00 p.m. to 10:00 p.m. Monday through Friday.

There will be equipment for playing pingpong, volleyball, basketball, pool and watching television.

Teens and pre-teens are required to register at the door before taking part in center activities. There is a voluntary $2.00 registration fee for each program. Centers will operate from June 26th to August 4th. Adults are needed to help man phones, desks, chaperone groups, etc. Even one hour a week would help. Please call Ed Berger at 437-9580.

RHOA-run summer programs will start July 5th with the Drama Workshop and Arts and Crafts Den. Children (ages 8–15) registering for the Drama Workshop will be divided into two groups, one group meeting at Lake Anne Hall and the other in the Glade Room. Forms for registering are now available at Lake Anne Hall. Each group will meet three mornings a week and will give a major production at the end of the summer.

The Arts and Crafts Den will be located in the basement of Brown's Chapel, five mornings a week from nine until twelve (for all ages). Activities will include art, pottery-making, leather-working, metal-working, etc.

Teen Pool Parties started June 18th and will be held every two weeks at different pools. Posters will be up at all pools and at Lake Anne Hall about one week before a party is scheduled, giving the location, naming the band, admission charge, age, etc. A series of adult and pre-teen pool parties is also planned, and these will also be announced by posters at the same locations.

Field trips for different age groups will be scheduled during the summer. (continued on page two)
COUNCIL MEETINGS
HUNTERS WOODS VILLAGE COUNCIL—June 6
Present: Judy Hinze, Carol Lawrence, Dennis Fischer, Enoch Butler, Peter Trelgan.
Council requested report from RHOA on fiscal and operating aspects of RHA Riding Association.
Rev Sharp reported on Communications Committee activities; open house held in April, May information meeting to answer services, free pool party June 1st at Glade Pool in cooperation with Ed Berger, new RHA Recreation Coordinator. "Special projects" member to be added to Communications Committee. Candidates welcome.
Discussion of clobbering of other community messages with RHOA RECORD. Suggestion made to Nancy Grant, RHOA Information Officer, that organization using RHOA distribution must be totally responsible for collection of material with RHOA RECORD.
Nancy Roe and Vern Walker reported on Environmental Committee activity. Prepared for the architect John Getuso presented. Revised version reflecting community input will be considered at meeting on June 6th.
Trailblazer construction of two toots ("stop-a-whiles") and a picnic area near pony barn at Steeplechase approved. Possible picnic area at Glade Pool suggested.
Trailblazer program hiring is now under way. Rod Onisko is coordinating the training. Oberweis for walkway directional sign hopefully by July.
Environmental Committee considering use of humane dog traps for solution of loose dog problem. Fairfax County dog warden, RHA Safety Committee, and DPW will be involved. Management Committee and Riding Association invited to HW Village Council meeting July 17th to discuss strategies to handle dog nuisance.
Council voted to send $25.00 from IWVC discretionary fund to UNICEF in memory of Gwen Ames, daughter of former RHOA Information Director Priscilla Ames and ArtDee Ames.
Proposal for use of Southgate Room by Reston Children's Center considered. Decided to seek input from community regarding use of this facility.
Discussion of proposed townhouse RHA body to handle townwide issues.
Council will meet first and third Mondays of each month at 8 p.m. in Glade Room. Butler requested search for mature teenager to serve as secretary to Council.
LAKE ANNE VILLAGE COUNCIL—June 6
Present: Frank Anderson, Jeff Swanson, John Scherer, William Vegel, Abigail Smith.
Council voted to accept the Hunters Woods proposal for expansion of Reston Children's Center to Hunters Woods.
Council voted to present a proposed resolution on Reston governance at joint meeting of three Councils in June.
TALL OAKS VILLAGE COUNCIL—June 12
Present: Jerry Boling, Alling Jones, Mary Ellen Kaser, Jim Miller, Ann Page.
The Council continued discussions of its relationship with RHOA and agreed that it must move on with its own program.
Council adopted organization and procedures for a Community Services Committee and is currently seeking nominees to head the Committee. Joyce Borne agreed to act as an interim coordinator.
The Council appointed Sam Dennis as the head of its Environmental Committee.
The Council is actively seeking members and a chairman for a RHA committee.
Jerry Boling was elected chairman of Tall Oaks Village Council. RHA was elected to represent the Council on the Reston-wide committee for further implementation of the Study Team recommendations.
HUNTERS WOODS ENVIRONMENTAL MANAGEMENT COMMITTEE
The Committee welcomes resident participation in suggesting projects to be carried out this summer within the limits of the budget on RHOA common land or open space in Hunters Woods. If you are aware of any sections of Hunters Woods where improvements can be made in such areas as erosion control, planting, rehabilitation, you are urged to make them, or perhaps one of your own pet environmental projects that you feel is needed, please contact Nancy Roe (471-7326) or Vern Walker (437-7472 or 437-9556). Better yet, come with your ideas to the EMC meetings.
Can your children walk or cycle to the elementary school without going through private property or walking on a heavily trafficked street? Can you walk to the pool without going through a neighbor's yard? Can you get to the village center without using your car? Can you go where you want to go safely and conveniently within reasonable walking distance of your home by walking or cycling? The EMC feels that the extension of the present walkway system would be a much needed and welcome project benefitting all residents of Hunters Woods. The Committee welcomes any comments or suggestions from residents on this project.
NATURE CENTER NEWS
There will be two new faces around the Nature Center this summer. Dennis Taylor, Smith, a landscape architectural student from Ohio State University, began work on June 19th. His first project will concern the Nature Center site and include the north end of the creek. Working with the Executive Director, he will develop materials for an analysis of existing facilities, programs and natural areas in Reston and the Reston area. He will also digitize the map of the Village with the assistance of the Planning and Budgeting Committee where possible to work with the Executive Director to propose alternatives by September 30th. We seek a more program-oriented budget structure that will help to clarify the objectives of RHOA.
As the County government organization study—on which Reston has had a major input—continues, we hope to work with the Village Councils, RHA and others to examine the Reston Council concept, and perhaps formulate an inter-jurisdictional agreement pending completion of the County study.
With many new people in new positions, with rapid change the norm, we expect that everyone will share both the benefits and theills of an urbanized society, we look ahead with optimism and humility. Reston is an experiment in more intelligent land use and urban planning. Reston is an experiment in living. The two are intertwined. Their outcomes depend greatly upon the quality and quantity of citizen involvement.
Lest we lose our respect for the task before us, we must remind ourselves that forces outside our control do work their will upon us. Still, we can resist. Several recently we rejoiced in an anniversary festival and were shocked into grief at a senseless loss of one of our own. The summer season is a traditional period for informality and relaxation. It is also an opportune time for spiritual renewal, whether at home or at a pleasant location. The pace changes, and there may be a chance to reflect on the past and think about the future. Have a good summer!
NEW REGULATIONS REGARDING BOAT RENTALS ON LAKE ANNE
Because of raging complaints from many Lake Anne residents, and because of more stringent insurance requirements, Thomas Burgess, Executive Director of RHOA, has announced that a new set of Rules and Regulations recently revised were rejected in an anniversary festival and were shocked into grief at a senseless loss of one of our own. The summer season is a traditional period for informality and relaxation. It is also an opportune time for spiritual renewal, whether at home or at a pleasant location. The pace changes, and there may be a chance to reflect on the past and think about the future. Have a good summer!
Weekend and Weekday rates for Lake Anne Hourly Rate (rental with fuel surcharge per hour plus a requirement that a note be presented to the boat boys telling them who the guest's Reston sponsor is. (Continued on page four)
REMINDERS

For the benefit of new residents or residents moving away from Reston, there is a policy of partial payments and refunds on RHOA pool memberships. The charge is pro-rated at $20.00 a month (or part of a month) for June, July and August.

Attention is called to the fact that the Golf Course Island playground is actually on RHOA land and is intended for the use of children from all parts of Reston who wish to play there.

Sign-up for the summer riding program is still going on at Reston South Stables. Lessons are available to all age groups in all aspects of horsemanship. Information may be obtained by calling 471-7080.

Public swimming is not permitted in Lake Anne. This is always a problem during summer months. Persons who choose to violate this rule are assuming great risks, as RHOA’s insurance will not cover them.

New Country Courts homeowners request that people going to and from the Hunters Woods swimming pool please not use private property as a public walkway. Damage to property and shrubbery is occurring. This erstwhile shortcut is no longer a permissible route.

The phone number of the RHOA offices in Newton Square has been changed. The new number is 437-9580.
Lake Anne Hall Information Office  437-7474
Nature Center  437-7472 or 437-9580
Reston South Stables  471-7080

Pool party for Restonians
(by HW Communications Com. & RHOA Recreation Dept.)

QUESTION OF THE MONTH: When will LANK become TONK?

RHOA MAINTENANCE

Jobs: A large number of Reston youth are applying for jobs with RHOA. At present all positions are filled. It is possible that special summer projects will necessitate the hiring of more teenagers, in which case announcement of such openings will be made in the RHOA RECORD or the Reston Times.

Walkway Lighting: When reporting a walkway light that is not functioning, try to obtain the number which is written on the pole, since this number is essential for the location of a faulty light during the daytime hours.

Underpasses: Every effort is being made to rid the underpasses of all graffiti, either by painting or cleaning.

Motor Vehicles on RHOA Pathways: If a motor vehicle is spotted on a pathway, the police should be called at once. Residents are reminded that mini-bike offenses are a misdemeanor in violation of Fairfax County Ordinances. Mini-bikes may only be operated on private property, and written permission must be obtained from the owner of the property unless the owner is also the parent of the driver. Mini-bikes in the state of Virginia come under the same regulations as motorcycles. They must be properly equipped, insured, and inspected; a license is required and helmets and other safety apparel must be worn. Parents can lose their licenses to drive for up to six months for violation by their children of these regulations.

Bicycles may be ridden on pathways, however.
