

Camp near Falmouth Va
May 12th

Dear wife and children I now sit down
to write a few lines to let you know
that I am all right yet but I have
been in some warm places I can
tell you for a while back now I
should have wrote before but the
I did not go from here so I did
not write but now I thought I would
write a little but I have not
got any time to tell you about the
fight this time but I will let you
know about it after a while
my hand trembles so that I cant
write so good by and God bless you
all for this time I think it was
Gods will that I was not killed
for there was men fell on both sides
of the camp

Yours affectionately
