

Reston:

A Town That Helps Its People Cope With The Problems Of Living In Times Like These.

Instead of just being filled with good houses, Reston is filled with good places to live.

Because it has something most other places don't. A sensible plan. For sensible use of the land.

A masterful design that controls the way in which the town grows without interfering with the way in which its people live. And which ensures that even after everything is built here, Reston will be as beautiful as it was before we came.

Reston is a place where you can get away from today's pressures. With leisure-time facilities that range from wooded trails for walking or biking. To tennis, swimming, or golf.

Shopping, schools, and recreational facilities are close to where you live. So you don't have to drive five miles to get a quart of milk. Or a newspaper.

However, when you do have to leave Reston, we can help you with that, too. We have special commuter buses to Washington that deal with the traffic for you. And mass transportation to other parts of the area as well.

Reston. It's a beautiful, peaceful, convenient place to live. Or work.

Which is no accident. Because we planned it that way.

Sawyers Townhouses

These modern 2, 3, and 4 bedroom townhouses are conveniently located across the street from the Reston South Golf Course, and about five minutes by foot from Hunters Woods Village Center. And they offer a lot of convenience inside. They're air conditioned, have electric kitchens, separate laundry room and one-and-one-half baths. Wall-to-wall carpeting. The master bedrooms have large walk-in closets. There is wiring for cable TV. Available with or without basements.

Shadowwood Condominiums

These contemporary garden condominiums come in two sizes, 2 or 3 bedrooms. They have an excellent location, within walking distance of Hunters Woods Village Center, the Pony Barn, and Reston's South Golf Course. They're air conditioned, with wall-to-wall carpeting, separate entrance foyers, a washer, dryer, range, refrigerator, dishwasher, disposal, and sliding glass doors that lead out onto a balcony or patio.

Southgate Condominiums

These elegant brick condominiums are located in the heart of Hunters Woods, a prime location near one of Reston's village centers. Shopping, restaurants and theaters are all within walking distance. And Reston's rolling South Golf Course is set just across from the condominiums themselves. Available in one, two or three-bedroom styles.
