Getting it together....

The 7 - 12 year old activity group is underway. One activity has been held and this month's trip to the Museum of African Art in Washington, is sure to be exciting. This group plans to help others as well as have fun themselves. Each month, youngsters bring canned goods to be distributed to the needy. This will be an ongoing project until other suggestions are made.

The Teenage activity group will be soon organized. A meeting was held recently with the coordinators and other interested persons. More information later. Do call Laura Thomas or Dottie West if you have teenagers and are willing to work with the group.
