NEWS

NOTES

- Thank-you note from the Yancey's: "Ernest & I thank the black community for the support it has given the Fin Factory. And, of course, we also thank Black Focus for our lovely plant which symbolizes this support." Ernie & Doris
- For your information: Mr. William E. Tymas, a Restonian, is a member of the National Association of Life Underwriters, associated with New York Life Insurance Co., and offers counseling in business and personal insurance planning.
- Sorry the newsletter was too late to inform you of the Andy Goodrich Quintet's appearance in Washington. Some Restonians have heard the group and think they're a great jazz group.
- Congratulations to Mona Blake on the recent honor bestowed upon her by the Fairfax County NAACP.
