President Colgate W. Darden, Jr.
University of Virginia
Charlottesville, Virginia

Dear President Darden:

Following the receipt of Mr. Pope's letter of July thirtieth, a copy of which went to you, we have taken possession of the Old Bailey's School building.

The bids submitted on the short sewer line necessary to be laid and the renovation of the building will be sent to Mr. Elder on August 5. Right now, we have the man who will be our custodian working on the grounds.

Sincerely yours.

John Finley
