Dear Mr. Turner:

Several days after I talked to you over the telephone, I mailed to you the information you requested concerning the 40 member colleges of the United Negro College Fund. A mistake was made in typing the envelope and subsequently it was returned to my office. Please accept my apology for this terrible delay. I certainly hope that this mix-up will in no way affect the acceptance of the United Negro College Fund as the recipient of a donation from the Reston Black Focus Group.

I have prepared the enclosed statement which I hope contains the information you requested. Also enclosed are some UNCF pamphlets and brochures. If any additional information is needed, please do not hesitate to contact me.

Please extend my best wishes for a successful project to the members of the Reston Black Focus Group. I would appreciate it very much if you would keep me posted on the progress of the project and send me an invitation so that the Fund will have a representative present.

Again, I apologize for any inconvenience and for the delay in getting this information to you.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Carthur L. M. Drake'. The signature is fluid and cursive, with a long horizontal stroke extending to the right.
