TO BLOCK REPS:

September brings a special project, seven new Block Reps, and changes in your Directory of Reston Organizations:

Leaf Collection Petition

The Hunters Woods Environmental Management Committee of RHOA has asked for our cooperation in their efforts to assess interest in the formation of a Special District within Fairfax County for the purpose of leaf collection. (See the accompanying memo.) Please write your name on the back of the signature sheet, then obtain as many signatures as possible from the home owners in your block. Return the signature sheet by Monday, September 18, to Marian Buckner, 11623 Sourwood Lane, 471-1604; or to your Area Rep.

New Block Reps

Area #1--New residents of Southgate Square are being enthusiastically represented by:

Linda Morris	2215 Southgate Square	437-8275
Sandy Sullivan	2223 Southgate Square	437-4032
Melinda Chaite	2226 Southgate Square	471-4045
Linda Denett	2247 Southgate Square	437-8729
Judy Burkitt	2248 Southgate Square	437-7625

Linda Morris is grooming to become the Area Rep when Southgate spins off as Area #7.

Area #2--Barbara Brown, 2505 Fauquier Lane, 437-0740 has replaced Pat Langmead as the Block Rep for the families on Fauquier Lane. Pat is now serving as Area Rep.

Area #5--Howland Drive has an additional Block Rep to serve its increasing population. She is Diana Burgess, 10906 Howland Drive, 437-1582.

WELCOME AND THANKS TO EACH OF YOU!

Subject: Leaf Collection

The Hunters Woods EMC is circulating petitions to determine citizen interest in establishing a sanitary district in Hunters Woods for leaf collection.

Hunters Woods homeowners interested in establishing county leaf collection in our area are invited to sign the accompanying petition. (One signature only per home.) If 50% of homeowners sign, the petitions can then be presented to the county for further action.

If a leaf collection district is established for Hunters Woods, all homeowners within the collection boundaries will pay a small yearly fee for streetside service by a leaf vacuum machine--three times in the fall, once in the Spring.

The first year's fee is 8-10¢ per \$100 of assessed value of Reston property (approx. 40% of market value), and 5-6¢ in following years. For example, the owner of a house with a market value of \$40,000 (assessed at \$16,000) might pay between \$12.80 to \$16 the first year, and about \$9 yearly after that.

Service might start in the fall of 1973, if approved.

If possible, the resulting shredded leaves will be deposited in a Reston area for the use of our residents. They are a desirable mulch or make good compost (shredded leaves compost more readily than whole leaves).
