

LOTS AT RESTON

Lots for individual houses are available for spring construction. A wide choice is being offered including lots overlooking the Reston North Golf Course, Lake Anne, and wooded parks in Hunters Woods Village. Prices vary from \$7,000 to \$17,000 for lots from one-fourth acre to three acres. Most lots are served by all utilities including sewer and underground utilities.

We will be glad to arrange an inspection of the property. If a Land Sales representative is not available at the Information Center you may leave your name with any Reston salesman or you may call 471-4307 Ext. 24 during normal business hours to arrange an appointment at any time convenient to you.
