RESTON COMMUNITY SERVICES CONFERENCE

May 6, 1972

A. SCOPE AND OBJECTIVES

1. Identify high priority public service problems in terms useful in county budget discussions.
2. Develop An Agenda for meeting the public and private needs of the 1975 population (42,000) of Reston.
3. Use this agenda as the basis for community research/action strategies in the context of the new town development process.
4. Establish a basis for a continuing community conference to access services and institutions.
5. Involve new citizens in community affairs.

B. FORMAT OF THE CONFERENCE

1. Establish preliminary working committees on each workshop topic to frame questions for discussion, train workshop chairmen and rapporteurs.
2. Plenary Session -- A full service new town
