## Family Portraits:

Arvil Daniels, Reston's reknowned Portrait Photographer, has generously offered to make color portraits of each Reston Black Family with no obligation to you or the organization. The purpose is to display portraits of our member families at our Festival in September. The portraits are to be taken this month and you will have an opportunity to select the one which you wish displayed. You may also purchase any of the portraits for your own enjoyment and Mr. Daniels will donate a portion of any income received to Focus. Be sure to book early to insure your family's inclusion in the Festival display. For further information and scheduling, call 471-7175.
