Dear Mr. Hanson:

On behalf of the Town Council, I would like to sincerely thank you for working through Douglas Kleine to set up a Management Conference on Community Services.

You were unanimously and gratefully accepted to chair this conference and several citizens have already come forward to offer their services in developing this program. Those who have definitely indicated they will be able to assist you are James Grady, Robert Secundy, Patrick Kane and Beverley Sharp. Three additional residents Gail Sodak, Frederick Fresh and Embry Rucker were nominated at the Council meeting pending their concurrence.

Judy Hines has been very impressed with the sessions you have been conducting on New Town Development this week and I feel sure that those who develop the program for this Management Conference will be equally impressed with your counsel and leadership.

Most sincerely,

John v. Morse, Chairman
Town Council
