FEATURING: THE COTTAGE THEATRE

For the June through November "life" of the "Best Small House '84" program, the garage of the Classic Country Cottage has been turned into a handsome little theatre called the Cottage Theatre.

A kind of 1984 Chautauqua, the Cottage Theatre comes alive each weekend (there will be weekday seminars as well) from June 30 through November 11. Cooled, carpeted and seating fifty guests, the Cottage Theatre will feature weekend residential seminars and workshops designed to enlighten and educate prospective home-buyers.

Kicking-off a twenty week-long Classic Country Cottage Calendar of Events, Woodward & Lothrop, in partnership with Long & Foster Real Estate, on Saturday morning, June 30, will feature a series of seminars discussing various aspects of buying and/or bulding a "First Home."

Carrying on the "First Home" theme sponsored by HOUSE BEAUTIFUL, Woodward & Lothrop's Home Improvement Center and Interior Design Studio, in partnership with the National Association of Home Builders, on Saturday, July 7, will stage a series of seminars and workshops on how to find a good builder, improving an older home, and decorating on a five year plan.

Listed in a special Cottage Theatre Calendar of Events (June-July Calendar enclosed), the long list of unique seminars includes everything from "Ten Mistakes First Homebuyers Always Make, and How to Avoid Them", to, "Independent Living for Senior Citizens: an Alternative with Shared Equity and Home Ownership."
