Please be prepared to 1) give a written report to the Board of Directors at their monthly meeting, and 2) announce meetings of the committee in the newsletter, so that interested parties may attend. Date, time, place, and if possible a preliminary agenda should be reported to Joyce Watson, 11002 Howland Drive, by the 15th of the month to go into the next month's newsletter.

At our next meeting, the Board of Directors is asking all committees to submit in writing a statement of purpose and a list of immediate goals and proposed activities. This meeting will be on October 10, 1974, at 8:00 p.m., at Clarestine Summey's house, 1572 Cameron Crescent Drive, 471-4484. Neither of these statements need be lengthy or elaborate; they should be well thought out and represent the consensus of understanding by the committee. They will serve as guidelines for the Board and the committee and will be revised as needed.

Please ask the committee to plan a presentation by the members serving on the various Fairfax and/or Northern Virginia Advisory Boards and Commissions to the General Membership at the next meeting on November 12, 1974. The place has yet to be set. Each person should describe the functions of the body on which he/she is serving. I am not sure that the list herein is complete. I will send you a more up-to-date list as soon as possible. This should be a very interesting and useful session.

One more request--please include in your October 10 report a list of actual committee members. Please feel free to add to those named here. Thanks again and good luck! Call me at 860-1163, if I can help.

Sincerely,

Beverley D. Sharp, President
