

NEW VOICES IN PUBLIC POLICY

Volume III
Fall 2008

The Editorial Board of *New Voices in Public Policy* is pleased to present a third issue of outstanding work from students at the George Mason University School of Public Policy (SPP). Our journal is comprised of articles written by SPP students, nominated by SPP professors, which are peer-reviewed. *New Voices* is published using the Open Journal System, an open source publishing system developed through federally funded programs to improve access to research. As a publicly funded university, we at SPP are pleased to make these works accessible in a system that retains all copyrights in the authors' names. For citations, please see below.

Since publishing our first issue in Spring 2007, we have covered an array of diverse topics. These topics reflect the varied specialties of SPP students. Congratulations to our authors on their fine work.

We invite you to enjoy this issue and to peruse the timely and forward-looking articles in previous issues via our archives.
