SEMINAR FOR ELEMENTARY SCHOOL TEACHERS

A seminar on racial history, culture and attitudes was directed by Mona Blake and Kathy Lamkin for over 25 teachers at Lake Anne Elementary School.

Ideas developed in this seminar will form the basis for supplementary educational materials designed to include black people in the American heritage.

Your help is needed over the summer months to develop these ideas into suitable programs for both elementary and intermediate schools.

Call Mona Blake at 471-1769.
