

BIOGRAPHICAL SKETCH
For
EDWARD G. SHARP

Ed Sharp has lived in Reston with his wife Beverley since 1968. He has been active in a number of community, county and state organizations including:

Founding Member – Reston Black Focus
Member Reston Philosophers
President – Greater Reston Arts Center
Chairman – Hunter Woods Village Environmental Management Committee
Member Reston Board of Commerce
Member - Fairfax County School Board Advisory Council for Educational Technology
Commissioner – Virginia Port Authority

Ed is the Executive Vice President of ISA, Inc., a nationwide computer support service Company for major automotive, financial and other customers. ISA is one of the largest minority owned firms in the country that provides installation, hardware maintenance and software support services for desktop computer networks. Ed is responsible for the day to day operations of the Company including; business planning, sales and marketing, contract negotiations, service operations, and quality assurance. Prior to joining ISA, thirteen years ago, Ed held management positions in a number of technology Companies including MITRE Corporation and CENTEL Corporation.

Ed received his Bachelor's and Master's degrees in Engineering from The George Washington University. He grew up in Washington DC and is a graduate of Dunbar High School.

In addition to work and community activities, Ed enjoys his daily three-mile jog on the Reston pathways. He is also an active pilot and maintains a Beech Baron airplane at Manassas Airport that he flies all over the country on business and pleasure trips.
