

# NEW VOICES IN PUBLIC POLICY

December 8, 2008

To Our Readers:

It's my pleasure to welcome readers to the third issue of *New Voices in Public Policy*, which presents original work by students at the George Mason University School of Public Policy (SPP). SPP students come from a wide range of academic backgrounds, and many have extensive professional experience. *New Voices* reveals the range and depth of their insights, which SPP has allowed them to develop, distill, and refine. I hope you will find the journal valuable and use what you learn in your own work.
