

BEST SMALL HOUSE '84 -- Bedroom number two, upstairs in the 1,500-square-foot house designed by Lester Walker for House Beautiful and the American Wood Council, lives big despite its cozy dimensions -- the result of vaulted ceiling and lightened exposed wood. The all-wood house will be featured in the October 1984 issue of House Beautiful. Furniture by Habersham Plantation; bed linens, the Ralph Lauren Home Furnishings Collection at Woodward & Lothrop. "Shaker Stripe" wallpaper from Hinson & Co. is bordered, along ceiling and baseboard and around window, by Hinson's "Country Heart Stripe."

Major participants: House Beautiful magazine; the American Wood Council; Reston Land Corp.; Felix Construction Corporation; Habersham Plantation; AT&T; Woodward & Lothrop; Lester Walker, Architect; Carolyn Guttilla, Interior Designer; Seneca Falls Greenhouses and Nursery, Landscaping.
